NOTES:

1. In view of the global outbreak of the Covid-19 pandemic, the Ministry of Corporate Affairs ('MCA') has vide its General Circular No. Circular No. 14/ 2020 dated April 8, 2020 and the General Circular No. 17/ 2020 dated April 13, 2020, Circular No. 33/2020 dated September 28, 2020 and Circular No.02/2021 dated January 13, 2021 Circular no. 2/2022 dated May 05,2022 (collectively referred to as 'MCA Circulars') permitted the holding of the Annual General Meeting ('AGM') through Video Conferencing (VC)/Other Audio Visual Means (OAVM), without the physical presence of the Members at a common venue. Further the Securities and Exchange Board of India ('SEBI') vide its circulars dated May 12, 2020, January 15, 2021 and May 13, 2022 ('SEBI Circulars') has also granted certain relaxations. In compliance with the provisions of the Companies Act, 2013 ('Act'), Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') and MCA Circulars, SEBI Circulars, the AGM of the Company is being held through VC/OAVM.
2. The relevant details, pursuant to Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment at this AGM is annexed.
3. PURSUANT TO THE PROVISIONS OF THE ACT, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT ONE OR MORE PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. Since this AGM is being held pursuant to the MCA and SEBI Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for this AGM and hence the Proxy Form, Attendance Slip and Route Map for the AGM are not annexed to this Notice.
4. Institutional Members are encouraged to attend and vote at this AGM through VC/OAVM. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC/OAVM or vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to scrutinizer.finelineindia@gmail.com with a copy marked to Company at the email address viz. cs@finelineindia.com
5. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
6. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
7. In compliance with the MCA Circulars and SEBI Circulars, Notice of the AGM along with the Annual Report 2021-22

is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2021-2022 will also be available on the Company's website www.finelineindia.com and website of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The Notice and Annual Report 2021-2022 is also disseminated on the website of CDSL (agency for providing the e-Voting facility before and during the AGM) i.e. <https://www.evotingindia.com>.

8. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
9. The Register of Members and the Share Transfer books of the Company will be closed from Friday, September 16, 2022 to Thursday, September 22, 2022 both days inclusive.
10. Benefits of Dematerialization:

Shares held in dematerialized form have several advantages like immediate transfer of shares, faster settlement cycle, faster disbursement of non-cash corporate benefits like rights, etc., lower brokerage, ease in portfolio monitoring, etc. Besides risks associated with physical certificates such as forged transfer, fake certificates, bad deliveries, loss of certificates in transit, get eliminated. Since there are several benefits arising from dematerialization, we sincerely urge you to dematerialize your shares at the earliest, if you are still holding the shares in physical form.

As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, "Universal Capital Securities Pvt. Ltd." for assistance in this regard.

11. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details, mandates, nominations, power of attorney, change of address, change of name and email address, etc., to their Depository Participants only and not to Company's Registrar and Transfer Agent. Changes intimated to the Depository Participant will then be automatically reflected in the Company's records. Members holding shares in physical form are requested to intimate such changes to the Company's Registrar & Share Transfer Agents, Universal Capital Securities Pvt. Ltd.

SEBI has mandated the submission of PAN by every participant in securities market. Members holding shares in electronic form are, therefore requested to submit the PAN to their Depository Participant with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to Universal Capital Securities Pvt. Ltd.

Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to Universal Capital Securities Pvt. Ltd., the details of such folios together with the share certificates and self-attested copies of PAN card of the holders for consolidating their holding in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.

12. SEBI vide circular dated 3rd November 2021 has mandated the listed companies to have PAN, KYC, bank details and Nomination of all shareholders holding shares in physical form. Folios wherein any one of the cited details / documents are not available with us, on or after 1st April 2023, shall be frozen as per the aforesaid SEBI circular.

The investor service requests forms for updation of PAN, KYC, Bank details and Nomination viz., Forms ISR-1, ISR-2, ISR-3, SH-13, SH-14 and the said SEBI circular are available on our website www.finelineindia.com. In view of the above, we urge the shareholders to submit the Investor Service Request form along with the supporting documents at the earliest.

The Company has sent a letter to the shareholders holding shares in physical form in relation to the aforesaid. In respect of shareholders who hold shares in the dematerialized form and wish to update their PAN, KYC, Bank Details and Nomination are requested to contact their respective Depository Participants.

13. At the Twenty-Eighth AGM held on September 29, 2018 the members approved appointment of M/s. Ratanghayara & Co, Chartered Accountants (Membership No. 103325 / Firm Registration No. 117626W) as Statutory Auditors of the Company to hold office for a period of five years from the conclusion of that AGM till the conclusion of the thirty-third AGM. The requirement to place the matter relating to appointment of auditors for ratification by Members at every AGM has been done away by the Companies (Amendment) Act, 2017 with effect from May 7, 2018. Accordingly, no resolution is being proposed for ratification of appointment of statutory auditors at the Thirty Second AGM.
14. Members who wish to inspect the relevant documents referred to in the Notice can send an email to cs@finelineindia.com up to date of this Meeting.
15. Registration of e-mail address permanently with Company/Depository Participant:

To support 'Green Initiative', Members who have not yet registered their e-mail addresses are requested to register the same with their concerned Depository Participants, in respect of electronic holding and with Company's Registrar & Share Transfer Agents, Universal Capital Securities Pvt. Ltd., in respect of physical holding. Further, those Members who have already registered their e-mail addresses are requested to keep their e-mail addresses validated/updated with their Depository Participants/ Company's RTA to enable servicing of notices/documents/Annual Reports and

other communications electronically to their e-mail address in future.

16. In compliance with the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, Regulation 44 of the SEBI Listing Regulations, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by CDSL, on all the resolutions set forth in this Notice. The facility of casting votes by a member using remote e-voting system before the Meeting as well as remote e-voting during the AGM, will be provided by CDSL.
17. The remote e-voting period before the AGM commences on Monday, 19th September, 2022 (9.00 a.m. IST) and ends on Wednesday, 21st September, 2022 (5.00 p.m. IST). The e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the Member, he shall not be allowed to change it subsequently. The voting rights of Members (for voting through e-voting before the AGM and during the AGM) shall be in proportion to their shares held in the paid up equity share capital of the Company as on cut-off date i.e. Thursday, 15th September, 2022
18. Members will be provided with the facility for voting through electronic voting system during the VC/OAVM at the AGM, who have not already cast their vote on the Resolutions through remote e-voting before the AGM and are otherwise not barred from doing so, will be eligible to exercise their right to vote on such resolutions during such proceedings of the AGM. The Members who have cast their vote by e-voting prior to the AGM may also attend/participate in the AGM through VC/OAVM, but shall not be entitled to cast their vote again on such resolutions.
19. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting before the AGM as well as remote e-voting during the AGM. Any person who is not a member as on the cut-off date should treat this Notice for information purpose only. Any person, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the User ID and Password by sending a request at helpdesk.evoting@cdslindia.com
20. The Chairman shall, at the AGM allow voting by use of remote e-voting system for all those Members who are present during the AGM through VC/OAVM but have not cast their votes by availing the remote e-voting facility before the AGM. The e-voting module during the AGM shall be disabled by CDSL for voting 15 minutes after the conclusion of the Meeting.
21. Ms. Sarvari Shah (Membership No. FCS 9697) or failing her Mr. Mitesh Dhaliwala (Membership No. FCS 8331) of Parikh & Associates, Practicing Company Secretaries, have been appointed as the Scrutinizer's to scrutinize the remote e-voting prior to and during the AGM, in a fair and transparent manner.
22. The Scrutinizer shall, immediately after the conclusion of remote e-voting at the AGM, unblock the votes cast through e-Voting (votes cast during the AGM and votes cast through remote e-Voting before the AGM) and make, not later than two working days of conclusion of the AGM, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him in writing, who shall countersign the same.
23. The results declared along with the Scrutinizer's Report shall be placed on the Company's website www.finelineindia.com and on the website of CDSL www.evotingindia.com immediately after the results are declared and the same shall be communicated to BSE Limited, where the shares of the Company are listed.
24. Subject to the receipt of requisite number of votes, the Resolutions forming part of the AGM Notice shall be deemed to be passed on the date of the AGM i.e. on Thursday, September 22, 2022.
25. Instructions for attending the AGM through VC/OAVM and remote e-voting (before and during the AGM) are given below:

INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins Monday, 19th September, 2022 (9.00 a.m. IST) and ends on Wednesday, 21st September, 2022 (5.00 p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of on Thursday, 15th September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

MANAGEMENT DISCUSSION AND ANALYSIS (MDA)

As per the provisions of the Corporate Governance under the Listing regulations, the Management Discussion and Analysis (MDA) Report form part of the Boards' Report and reflects current state of the business.

Your Company is making Printed Circuit Boards (PCBs) and has its manufacturing facilities in Seepz- SEZ, Mumbai. It continues to remain a SEZ Unit.

1) INDUSTRY STRUCTURE AND DEVELOPMENT

PCBs are basic Electronic Building Block components used in all Electrical and Electronic Products. As a SEZ Exporter, the main Competition comes from China. The product is a complex one with several aspects of technology intricacy and above all continuously increasing customer expectations.

Electronics Manufacture in India has a disability relative to China & the Government has recognized this and to boost & Support the Electronics manufacturing has formulated & announced the National Policy on Electronics having various incentives to affect the disabilities faced by Indian Electronics Manufacturer with this Electronics Manufacture is sure to grow.

Our own focus after exports to over 14 countries is now also on the domestic Market, hence we are well positioned to ride this growth phase.

2) MODERNISATION, OPPORTUNITY AND THREATS

The Company continuously updates its manufacturing processes focused towards yield, capability and capacity improvements. The improvements are on all fronts, equipment, processes / systems and personnel Training.

The opportunities are in the small to medium volume, faster delivery and with broad range of surface finishes and various laminate materials focused for the European markets.

The threats are on account of volatile exchange rate movements and rising input and overhead costs.

3) SEGMENTWISE PERFORMANCE

Printed Circuits Boards (PCBs) is the only business segment in which the Company is dealing.

4) OUTLOOK

a) BUSINESS SCENARIO

RF Microwave PCBs with special materials with special surface finishes and of special designs has resulted in good business growth and continues to show promise for the future. Further the Company has put in place a New Product pipeline and this will augur well in the coming years. Also your Company has identified fertile new markets to penetrate which will also augur well in the coming years whilst still being well rooted in its main markets of USA, Germany and India.

We can proudly say the Company has come alive after a decade of struggle and slumber and is poised to rise to a higher level of performance.

b) HIGH TECHNOLOGY MULTILAYER UNIT

The High Technology Multilayer Unit (HTMU) continued to progress well.

5) RISK AND CONCERNS

The financial status of the Company is stable. The cash flow is judiciously managed to get the best exchange rate gains. Slow growth in the global markets, high power cost, volatile exchange rate movements and consistently rising personnel costs are risks that the Company is facing and tackling.

6) INTERNAL CONTROL

The Company has Internal Auditors who conducts internal audit that assesses the internal control systems. The Statutory Auditors and the Audit Committee review these controls regularly. Any change in the internal control that is recommended is studied and implemented based on the Company needs and feasibility of implementation.

7) FINANCIAL PERFORMANCE

The Company rationalized the products line considering the price levels to remain competitive in the volatile Exchange Rate, Higher material and power cost scenario. The Company expects to improve on all these counts in the coming year.

8) HUMAN RESOURCE DEVELOPMENT AND BUILDING LEADERSHIP QUALITIES

The personnel of the Company are vital part of the organization. The Company continues its policy to train them in-house, provide opportunity for external training and challenges them to exert and rewards superior performance. The Company is pleased to state that this has made the 2nd level supervisory personnel to show encouraging performance and to rise up. The Company has engaged contractor's workmen for support services and follows the

same policy of training and rewarding the good performers.

The number of employees of the Company as on 31st March 2022 was 143. (Previous year 141).

9) There were significant changes in the following ratios as compared to the immediately previous financial year:

PRACTISING COMPANY SECRETARIES' CERTIFICATE ON CORPORATE GOVERNANCE

TO THE MEMBERS OF

FINE-LINE CIRCUITS LIMITED

We have examined the compliance of the conditions of Corporate Governance by Fine-Line Circuits Limited ('the Company') for the year ended on March 31, 2022, as stipulated under Regulations 17 to 27, clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2022.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF FINE LINE CIRCUITS LIMITED REPORT ON THE AUDIT OF FINANCIAL STATEMENTS

Opinion

We have audited the accompanying financial statements of Fine Line Circuits Limited, ("the Company"), which comprise the Balance Sheet as at March, 31, 2022, the statement of Profit and Loss (including other comprehensive Income), the cash Flow Statement and the statement of Changes in Equity for the year then ended, and Notes to the Financial Statements, including a summary of significant Accounting Policies and other explanatory information. (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act"), in the manner so required and give a true and fair view in conformity with the Accounting principles generally accepted in India, of the state of affairs of the Company as at March, 31, 2022, its profit, and other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for opinion:

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibility under those Standards are further described in the 'Auditors responsibilities for the Audit of the financial statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India, together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other information

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the financial statement and our auditors report thereon.

Our opinion on the financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statement, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statement, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S AND BOARD OF DIRECTOR'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive Income, cash flows and changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards, IND AS, prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITORS' RESPONSIBILITY FOR THE AUDIT OF FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditors Report) Order, 2020 ("the order") issued by the Central Government in terms of Section 143(11) of the Act, we give in Annexure "1" a statement on the matters specified in paragraph 3 and 4 of the Order to the extent applicable.

“Annexure 2” To the Independent Auditor’s Report of even date on the Financial Statements of FINE LINE CIRCUITS LIMITED

(Referred to in paragraph 2 (f) under report on other Legal and Regulatory requirements of our report of even date.)

Report on the Internal Financial Controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of **FINE LINE CIRCUITS LIMITED** (“the Company”), as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”), issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statement based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI, and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statement was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statement and their operating effectiveness. Our audit of internal financial controls with reference to financial statement included obtaining an understanding of internal financial with reference to financial statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company’s internal financial control with reference to financial statements is a process designed to provide a reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal financial control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

NOTES FORMING PART OF THE BALANCE SHEET AND STATEMENT OF PROFIT AND LOSS ANNEXED THERETO FOR THE YEAR ENDED 31ST MARCH 2022:
A. CORPORATE INFORMATION

Fine Line Circuits Limited (the "Company") is a public limited Company domiciled and incorporated in India under the Companies Act, 1956. The registered office of the Company is situated at 145, SDF – V, SEEPZ, Andheri East, Mumbai 400096 India.

The Company is engaged mainly in manufacturing of Printed Circuit Boards. The Company has manufacturing facility at SEEPZ. The Company is listed on the Bombay Stock Exchange (BSE)

The Financial Statements were approved and authorized for issue in accordance with resolutions of Company's Board of Directors on 27th May, 2022.

B. SIGNIFICANT ACCOUNTING POLICIES
B.1 Basis for preparation of accounts:

These financial statements are prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies (Indian Accounting Standards) Rules, 2015.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at the fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

Company's Financial Statements are presented in Indian Rupees, which is also its functional currency and all values are rounded off to the nearest Lakhs with two decimals, except when otherwise stated.

For the purpose of current / non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as 12 months. This is based on the nature of the products and the time between the acquisition of assets or inventories for manufacturing and their realization in cash and cash equivalents.

B.2 Summary of Significant Accounting Policies
a) Property, Plant and Equipment, depreciation and amortization:

- Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any. All costs, net of recoverable taxes, including cost of financing till commencement of commercial production are capitalized.
- Intangible Assets are stated at cost less accumulated amortization and accumulated impairment losses, if any.
- Gains or losses arising from de-recognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.
- Capital work in progress and Capital advances: Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets.
- Depreciation on Property, Plant and Equipment is provided using written down value. Depreciation is provided based on the useful life of the Assets as prescribed in Schedule II to the Companies Act 2013.
- Intangible assets are amortised over a period of three years on straight line basis.

b) Investments

The Company has elected to recognize its non-current investments at cost.

c) Inventories:

Inventories are stated at lower of cost and net realizable value after providing for obsolescence, if any.

Cost of inventories comprises cost of purchase and all other costs incurred in bringing the Inventories to their present location and are accounted as follows:

I. Raw Materials Chemicals, Consumables, Spares and Tools:

Cost includes cost of purchases and all other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

II. Work in Progress:

Work in Progress is valued at estimated cost, based on the stages of completion or net realizable value, whichever is lower. Cost includes raw material costs and related production overheads.

III. Finished Goods:

Finished goods are valued at cost or estimated net realizable value whichever is lower.

d) Employee Benefits:**Short Term Employee Benefits:**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Expense in respect of other short-term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

Post Employment Employee Benefits:**(i) Defined Contribution Plans:****(a) Provident fund:**

The Company makes specified monthly contribution to statutory provident fund in accordance with the Employees Provident Fund & Miscellaneous Provisions Act, 1952, which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

(ii) Defined Benefit Plans:**(a) Gratuity:**

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act, 1972.

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective Income Tax authorities.

The liability in respect of gratuity and other post-employment benefits is made based on actuarial valuation done by an independent agency of notified actuaries calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employee's services. Liability in respect of employees not covered under the group gratuity scheme, provision is made as per the payment of Gratuity Act, 1972.

(b) Leave Encashment:

Provision for leave encashment, which is a defined benefit, is made based on actuarial valuation done by an independent agency of notified actuaries by using the projected unit credit method.

Re-measurement of defined benefit plans in respect of post-employment and other long-term benefits are charged to the Other Comprehensive Income.

e) Tax Expense:

The tax expense for the period comprises current tax and deferred income tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognized in the Other Comprehensive Income or in equity. In this case, the tax is also recognized in Other Comprehensive Income and Equity.

- **Current Tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax Authorities, based on tax rates and laws that are enacted at the Balance Sheet date.

- **Deferred Tax**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

f) Revenue Recognition:

- Revenue from sale of goods is recognized when the goods are dispatched to the customers, all significant contractual obligations have been satisfied and the collection of the resulting receivable expected. The sales are stated net of returns and related taxes.
- Income from Export Incentives is recognized on submission of claims to respective agencies and there is a reasonable certainty.

- Interest Income is recognized on time proportion basis taking into account the amount outstanding and the interest rate applicable.
- Dividend Income is recognized when the Company's right to receive the amount has been established.

g) Provisions, Contingent liabilities and Contingent assets:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are not recognized, but are disclosed in the Notes. Contingent assets are neither recognized nor disclosed in the financial statements.

h) Impairment of Non-Financial Assets- Property, Plant and Equipment and Intangible Assets:

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of their value of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

i) Finance costs:

Borrowing costs consists of interest cost and other borrowing costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition and construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective assets up to the date when such assets are ready for their intended use. The borrowing cost eligible for capitalization is being netted off against any income arising on temporary investment. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

j) Foreign currency transactions and Translation:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss also recognized in Other Comprehensive Income or Statement of Profit and Loss, respectively).

In respect of Foreign Branch, all the transactions are translated at the rates prevailing at the time of transactions or that approximates the actual rate as at the date of transaction. Branch monetary assets and liabilities are restated at the year-end rates.

k) Research and Development Expenditure:

Revenue expenditure on Research and Development is charged to the Statement of Profit and Loss in the period in which it is incurred. Development costs of products are charged to the Profit and Loss Statement unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalized.

l) Cash flow statement:

Cash flows are reported using Indirect method as set out in IND AS -7 "Statement of Cash Flows". The Cash

flows from operating, Investing and financing activities of the Company are segregated based on the available information.

m) Earning per Share:

The Company presents basic and diluted earning per share ("EPS") data for its Equity Shares. Basic EPS is calculated by dividing the profit or loss attributable to the equity Shareholder of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted number of equity shares outstanding for the effect of all dilutive potential equity shares. The company has chosen to make additional disclosure of EPS calculated considering other Comprehensive Income.

n) Financial Instruments:

I) Financial Assets

1. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value through Profit or Loss, are added to the fair value on initial recognition.

2. Subsequent Measurement

i. Financial Assets Measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial Assets Measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Financial Assets Measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL.

3. Impairment of Financial Assets

The Company recognizes loss allowance for expected credit losses on:

- Financial assets measured at amortised cost;

At each reporting date, the Company assesses whether financial assets carried at amortised cost has impaired and provisions are made for impairment accordingly. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- Other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

12 months expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

When determining whether the credit risk of a financial assets has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward looking information.

II) Financial Liabilities

1. Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case borrowings, net of directly attributable cost. Cost of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

2. Subsequent Measurement

Financial Liabilities are carried at amortized cost using the effective interest method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

III) Derecognition of Financial Instruments

The company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial Liability (or a part of a Financial Liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expired.

IV) Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to set off the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future event and must be enforceable in the normal course of business.

o) Fair Value:

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- o In the principal market for the asset or liability, or
- o In the absence of a principal market, in the most advantageous market for the asset or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 - quoted prices for identical instruments in an active market.

Level 2 –Directly or Indirectly observable market inputs other than level 1 inputs.

Level 3 – inputs which are not based on observable market data.

For asset and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

C) KEY ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Company's Financial Statements requires management to make judgments, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial year.

1. Depreciation/Amortisation And Useful Life of Property Plant and Equipment/ Intangible Assets

Property, Plant and Equipment / Intangible assets are depreciated/ amortised over their estimated useful life, after taking into account estimated residual value. Management reviews the estimated useful life and residual values of the assets annually in order to determine the amount of depreciation/ amortization technological changes. The depreciation/ amortization for future periods is revised if there are significant changes from previous estimates.

2. Recoverability of Trade Receivable

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include assessing the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

3. Provisions

Provisions and Liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

4. Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount is the higher asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transaction are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

5. Impairment of Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

31 Financial Risk Management

The Company's principal financial liabilities comprise of borrowings, trade and other payable. The main purpose of financial liabilities is to manage finance for the Company's operations. The Company has loan and other receivables, trade and other receivable and cash and short term deposits that arise directly from its operations. The Company's activities exposes it to variety of financial risk as follows:

- i Market Risk
- ii Credit Risk
- iii Liquidity Risk
- i **Market Risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risks: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2022 and March 31, 2021

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post-employment benefit obligations provisions and on the non-financial assets and liabilities. The sensitivity of the relevant Statement of Profit and Loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks, including interest rates.

Euro	1%	0.68	0.50	0.68	0.50
Euro	-1%	(0.68)	(0.50)	(0.68)	(0.50)

a Interest rate risk and sensitivity

The Company's exposure to the risk of changes in market interest rates relates primarily to long term debt. The risk is planned to be managed by having a portfolio mix of floating and fixed rate debt. Borrowings issued at variable rates expose the Company to cash flow interest rate risk. With all other variables held constant, the following table demonstrates the impact of borrowing cost on floating rate portion of loans and borrowings and loans on which interest rate swaps are taken.

Interest rate exposure table

For the year ended 31st March 2021	+50	-2.01	-2.01
INR Borrowing	-50	2.01	2.01

b Commodity price risk and sensitivity

The Company is exposed to the movement in price of key raw materials in domestic and international markets. The Company has in place policies to manage exposure to fluctuations in the prices of the key raw materials used in operations. The Company enter into contracts for procurement of material, most of the transactions are short term fixed price contract and a few transactions are long term fixed price contracts.

c Financial instruments and cash deposits

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. The Company does not maintain significant cash and deposit balances other than those required for its day to day operations.

d Competition and price risk

The Company faces competition from local and foreign competitors. Nevertheless, it believes that it has competitive advantage in terms of high quality products and by continuously upgrading its expertise and range of products to meet the needs of its customers.

ii Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and investment in debt securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's maximum exposure to credit risk as at 31st March, 2022 and 1st April, 2021 is the carrying value of each class of financial assets.

a Trade and Other Receivables

Customer credit risk for printed circuits board sales is managed by entering into sale agreements in the case of sale of finished units, sale agreements are executed only upon/against full payment thereby substantially eliminating the Company's credit risk in this respect.

Impairment**Expected credit loss assessment for customers as at 31st March 2022 and 31st March 2021:**

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macroeconomic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses

to continue. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk. In view of the above, the Company believes that no provision is required as per expected credit loss method.

iii Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The Company is required to maintain ratios (including total debt to EBITDA / net worth, EBITDA to gross interest, debt service coverage ratio and secured coverage ratio) as mentioned in the loan agreements at specified levels. In the event of failure to meet any of these ratios these loans become callable at the option of lenders.

The Company's overall risk management programmed focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

Risk management is carried out by the treasury department under policies approved by the Board of Directors. The treasury team identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The Board lays down principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, and credit risk and investment of excess liquidity.

The following table details the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The table has been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay.

Fair value hierarchy

The fair value of financial instruments as disclosed above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as under:

Level 1 : Quoted prices for identical instruments in an active market;

Level 2 : Directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3 : Inputs which are not based on observable market data.
